---

## RECHARGER

---

**#21015**  
AVAILABLE FALL 2015

### 3,000mAh Recharger

Lightweight and rugged, engineered with a 1.5A USB output for charging phones and other USB-powered devices. Charge in and out simultaneously with pass-through power capability.

### Replaceable Lithium Battery

Easily swap out the proprietary internal battery for extended trips. Use the same replaceable battery with compatible Goal Zero products.

### Solar Ready™

Optimized to charge quickly from Goal Zero Nomad Solar Panels or any USB port.

Built-in charging tip means no extra cables to lose.

### Built-in LED Light

Bright and long-lasting. Ditch the extra flashlight for lightweight travel.
